DAM CONSTRUCTION AND No. I IRWIN CANAL DIVISION, KRISHNARAJASAGARA.

Notification dated 26th January 1932.

It is hereby notified for general information that the materials (detailed in the statement appended) got from dismantled buildings will be sold by public auction by the Assistant Engineer in charge of Irwin Canal, French-rocks, at Bevinkuppe four miles distant from French-rocks on 20th February 1932 at 2 P.M. The articles will be knocked down to the highest bidder.

The sale is subject to the following conditions :—

Each bidder, shall before he is permitted to bid, deposit with the Assistant Engineer, a sum of Rs. five as earnest money. This will be returnable to him at the close of the auction if his bid is not accepted. The person whose bid is accepted shall pay on the spot the full amount of the bid less Rs. 5 and take possession of the articles and arrange to remove them from the site within three days, keeping watch over them till their removal. The Government will in no way be responsible for the custody of the articles after they are sold. Failure to pay the balance amount of the bid shall make the bidder forfeit his deposit amount and he will also be made responsible for loss, if any, arising from resale.

Statement of materials released from Bevinkuppe Buildings.
